A screenshot of a terminal window with a black background and green text. The text shows the shellter prompt 'Choose Operation Mode - Auto/Manual (A/M/H):' followed by the input 'a'. Below that, it shows 'PE Target: /root/win10.exe'. A mouse cursor is visible over the 'a' input. In the top right corner of the terminal window, there is a small grey button with a picture icon and a dropdown arrow.
